DIGISTOR®
A CDSG COMPANY

June 29, 2026

Notice of Product Termination

Dear Valued Customers,

We would like to express our sincere appreciation for your continued business and support.

This letter is to inform you, effective immediately, of the End of Life (EOL) and End of Sales (EOS) process for **DP20**.

(*) This includes but is not limited to CDSG Part(s):

See following pages for full list of EOL products

After a comprehensive review with our production team and component suppliers, we have confirmed that we have reached the end of our supply. Due to the limited availability of key components, we kindly request that you begin transitioning future orders to our direct replacement options when applicable.

We will do our best, but we may not be able to fulfill all orders if the total demand exceeds the remaining supply. Last Time Buy (LTB) quantities are limited to existing finished goods inventory currently on hand. Due to component availability constraints, DigiStor is unable to procure or manufacture additional units beyond the remaining inventory.

All Last Time Buy orders will be fulfilled on a first-come, first-served basis and are subject to product availability at the time a purchase order is received. Receipt of a purchase order does not guarantee fulfillment if available inventory has been exhausted.

- EOL notice: **June 29, 2026**

All existing POs are NCNR (Non-Cancellable, Non-Returnable)

Recommended replacement:

- No direct replacement option available

We greatly appreciate your cooperation. If you have any questions, please contact your DigiStor sales representative.

Thank you for your support.
